

Dual Certification Training Courses In Project Management

FPMS can now offer dual certification training courses in project management. You have the opportunity to obtain an internationally recognised project management certification and an Australian AQTF nationally recognised project management certification from the one training course.

Dual Certification Courses Now Available

Certificate IV in Project Management BSB41507 and PRINCE2® Foundation certification.
Initial Classroom Component 3 days. Competency based assignment over 12 weeks.
1 day final assignment assessment classroom component.
Dual Certification Training Course Cost \$2900 gst free.

Diploma of Project Management BSB51407 and PRINCE2 Foundation and Practitioner certification.
Initial Classroom Component 5 days. Competency based assignment over 12 weeks.
1 day final assignment assessment classroom component.
Dual Certification Training Course Cost \$3995 gst free.

Advanced Diploma of Project Management BSB60707 and MSP®(Managing Successful Programmes) Foundation certification.
Initial Classroom Component 3 days. Competency based assignment over 12 weeks.
1 day final assignment assessment classroom component.
Dual Certification Training Course Cost \$3800 gst free.

Student pre-requisites apply to Diploma and Advanced Diploma courses. RPL (recognition of prior learning) may be applied for on Certificate IV, Diploma, and Advanced Diploma units of competency.

See below for pathways to dual certification.

Minimise your training costs and training time whilst maximising your certification outcomes.

Please contact one of our friendly staff for further information on pre-requisites, RPL and course dates in your state. These dual certification courses can also be made available for corporate in-house training.
